

**Makah Environmental Division  
Request for Proposal (RFP)  
Environmental Restoration Services**

The Makah Environmental Division is conducting environmental mitigation activities on the Makah Indian Reservation. Professional services, including engineering and environmental consulting, are needed to sample soil, sediment, surface water, and groundwater; coordinate the abatement and demolition of a former steam plant facility and former cold storage building; plan, coordinate, and conduct an investigation to determine the extent of lead-contaminated soils and nature of soil properties; oversee abate of ACM and removal of debris and derelict buildings; and prepare technical reports and documents.

These restoration activities are scheduled from October 2019 through September 2021. To be considered, proposals must be **received by 3:00 p.m. on October 25, 2019**. Submit proposals to Laurette Venske at P.O. Box 115, 160 Resort Drive, Neah Bay, WA 98357.

To request a copy of the complete RFP, contact Steve Pendleton at (360) 645-3289 or Marge Sawyer at (360) 645-3286.
