

**MAKAH TRIBE
POSITION DESCRIPTION**

JOB TITLE: Environmental Division Manager

EXEMPT: Yes

TARGET SALARY: \$24.16 to 28.42/DOQ

PROGRAM: Fisheries Management

REPORTS TO: Fisheries Director

JOB CODE: 2-M-T4

SHIFT: 8am-5pm M-F

LOCATION: Bldg. 150

SUMMARY: The primary responsibilities of this position are to oversee Environmental programs and 1) provide guidance to tribal staff on resource management issues that may affect the Tribe's treaty reserved rights to a sustainable fisheries and 2) provide guidance to the Makah Tribal government and community on sustainable development practices on the Makah Reservation. Develop and write grants to support managed Environmental divisions program administration.

ESSENTIAL DUTIES AND RESPONSIBILITIES: Because of the Tribe's commitment to community service and the well-being of its members, each employee may be expected to perform a wide range of office and field duties from time to time. Such duties may or may not be related to their regular responsibilities.

Assist in the coordination of environmental related projects or programs within various tribal departments and regularly review and engage the EPA Tribal Environmental Plan (ETEP); ensure input, participation, and cooperation from various departmental, community and economic development interests.

Work closely with other tribal staff to develop and maintain tribal environmental regulations and agreements both on and off the reservation. This will include the review of development projects on the reservation and the provision of guidance to the tribal community on sustainable development practices.

Assure all assigned tribal employees obtain and maintain such licenses and certificates required to effectively deliver services and or qualify for funding from non-tribal sources; assure terms of grant agreements and contracts are adhered to; when grants and contracts are in conflict with Makah Tribal Council policy and or resolutions, recommend appropriate action to the Makah Tribal Council and follow up on their decisions as directed.

Manage the Environmental Health program funding, Makah Transfer Station funding, EPA BEACH grant, EPA Superfund Warmhouse Beach Dump funding and the US Environmental Protection Agency Performance Partnership program.

Assess tribal plans for environmental impacts and feasibility; prepare grant applications, contracts, and other documents for project development and implementation.

Prepare monthly, quarterly, annual narrative and financial reports as required by the program's funding and Makah Council.

Prepare and present reports to various tribal committees and the General Manager on environmental matters.

Continue to develop upon and improve the implementation with the Olympic Coast National Marine Sanctuary, oil spill response management, NEPA process and Makah Tribal Environmental Priorities List.

Represent tribal environmental interests on a wide variety of issues including serving on local, state, and national committees for environmental issues. Serves as environmental representative to the community and engage in public relations activities aimed towards community outreach and education concerning tribal environmental issues, problems and choices.

Responsible for the oversight of the Makah Environmental Health program.

Responsible for the oversight of the Solid Waste Collection Transfer Station.

Responsible for the oversight of the Makah Superfund WBD closure project.

Responsible for the oversight of the DOD NELMP program and projects.

Responsibilities and oversight for the EPA §106 & 319 Water Quality programs and EPA §105 Air Quality program.
