

Amendment No. 1

Request for Qualifications (RFQ) – Makah Water Supply Study

Project PO-22-N49

Issued: February 12, 2025

This Amendment No. 1 serves to correct and clarify the cost estimate requirements and extend the submission deadline for the Request for Qualifications (RFQ) for the Makah Water Supply Study, originally issued on January 14, 2025. All other terms and conditions of the RFQ remain unchanged.

Amendments and Clarifications

1. Correction to Cost Estimate Requirements

Original Language:

"Identify preferred alternative and final cost estimate to an AACE Level 4."
